

REMARKS

This Preliminary Amendment is being made upon entry of International Application No. PCT/GB2003/004456 into the U.S. National Phase of prosecution.

to the specification. In preparing this application for entry into the national stage, priority information has been added, headings have been added and several minor typographical errors or inconsistencies in terminology have been corrected by amendment. Claims 1-17 contained in International Publication have also been amended to remove the multiple dependencies. Claims 18-21 have been cancelled

Examination of the application and substantive action is requested. If the Examiner believes it would be helpful to discuss any aspect of this application to advance prosecution, please contact the undersigned.

Respectfully submitted,
